For your review is a talking point and background paper on the U&O FIP for Shaun to use at a meeting with the UT Governor and industry reps next week (along with some additional background info we used for the Ute consultations).

As Dee notes below we are waiting for Mike and Cindy to review, but this is the latest version.

Carl,

I am still waiting for input from Mike Boydston and Cindy Beeler on this document, however, I thought you might get some inquiries today for it, so I thought I better at least give you the draft. I am also including a document with background information and other information that might be helpful for us at the meeting.

Thanks,

Dee
